The banner features a colorful logo on the left consisting of a central yellow star with eight points, each surrounded by a circle of a different color (green, blue, orange, red, purple, pink, teal, and light blue). To the right of the logo, the NHS logo is displayed in the top right corner. Below it, the text reads "Greater Manchester, Lancashire and South Cumbria Strategic Clinical Networks". The main title "Network News" is centered in a large, dark font. At the bottom right, it says "Your monthly e-bulletin".

Welcome to GMLSC Network News.

Welcome to the first issue of Network News for 2015. We've got a bumper edition and lots of news to share with you.

Thank you for the feedback you gave on our first issue at the end of last year. We value your thoughts and ideas for future issues too. As a clinically led organisation, we wanted to feature Clinicians in future issues. They lead on all our projects so in each edition we will focus on one. This time we welcome Dr Sandeep Ranote, Children and Adolescent Mental Health Services (CAMHS) Clinical
